

Hancock Estabrook is a nationally recognized provider of bond counsel services, and is listed in *The Bond Buyer's Municipal Marketplace* (also known as "*The Red Book*"), the authoritative source for bond counsel. Our Firm has more than 30 years of experience in municipal finance.

Counsel Roles & Complex Transactions

We serve clients as bond counsel, issuer's counsel, underwriter's and placement agent's counsel, borrower's counsel, letter of credit bank counsel and trustee's counsel. We handle tax-exempt and taxable general obligation and revenue bonds and notes issued by municipalities, school districts, IDAs and civic development corporations.

Our services also include current and advance refundings, arbitrage and rebate, and spending and use requirements. We are members of the National Association of Bond Lawyers and the New York State Economic Development Council.

We handle complex public finance transactions throughout Upstate New York, including:

- Fixed- and variable-rate bonds
- Credit-enhanced and unenhanced bond issues
- Industrial Development Agency bonds
- Qualified 501(c)(3) bonds
- Health care financing
- Municipal general obligation bonds
- Sale/leaseback and lease/leaseback transactions
- Swaps and other derivative financial products
