

In today's regulatory environment even the most diligent officers, directors, and businesses require experienced counsel and defense to navigate the dangerous intersection of regulation and criminal law.

The attorneys in this practice have the experience and judgment necessary to provide the guidance, investigatory services, and, when necessary, the in-court prowess our clients require and deserve. Our Regulatory & White Collar Crime Practice draws upon the experience of our attorneys in our commercial litigation, environmental, tax, and corporate practice areas to provide our clients with the full range of defense expertise.
